RMCS Directory

We are excited that the River Montessori Foundation is preparing a school directory on behalf of the school and the students that attend it. It should be a great resource to help you connect with the parents/guardians of other River students. The directories will be distributed only to RMCS families.

All students will be listed under their teacher, and we plan to include the following information:

Student name
Parent(s)/guardian name
Address,
Phone
Parent(s)/guardian email

Should you prefer to have certain pieces of information excluded for your student/family, or be excluded entirely, you may **make a written request by September 15, 2010**, to: julie@rivermontessorifoundation.org , or deliver directly to the foundation in box located in the school lobby. Please make a notation on the request (or subject line if email) referring at the top to "Student Directory."

Do you or a friend or neighbor have a business and wold like to reach out to over 140 families? Why not place an ad in our River Directory? It is inexpensive and you'll be supporting River at the same time! If you need help with this, contact Julie Carolan at julie@rivermontessorifoundation.org
